Message from the Office

Winter is slowly beginning to wind down and our students continue to be engaged in a wide range of learning experiences within their classrooms. Term two report cards will be sent home electronically March 31st and we encourage you to discuss your child's progress with them. Please contact your child's teacher if you have any questions or concerns.

We would like to stress the importance of having students arrive to school on time. When a student arrives late, it is not only disruptive to the student who is late but also the teacher and other students in their class. Please ensure your child arrives to school each morning between 8:35 and 8:45.

As announced last week, Nova Scotia Public Health will be lifting many of the Covid-19 restrictions on March 21st. We will send home more details about how this will affect our students and staff when that information is made available to us.
